

Getting Started

INTRODUCTORY WEEK

1. CONNECT WITH YOUR TEAM

- Schedule your first TEAM meeting. Your weekly TEAM meetings should be an hour or so. You can meet longer if you'd like. If possible, we recommend scheduling your meetings later in the week so that you have more time to complete the weekly missions before getting together.
- Choose a TEAM Captain. The TEAM Captain is responsible for posting weekly scores and making sure that the TEAM meets weekly.
- Choose your TEAM name. Have fun with it, or be serious, whatever.
- The TEAM Captain submits your TEAM name at lv.priorityone.org/dr9

2. ORDER THE BOOK

The Body Teaches the Soul: Ten Essential Habits to Form a Healthy and Holy Life by Justin Whitmel Earley (2025).

3. READ "WHAT TO EXPECT"

See page 2.

4. CHECK OUT THE WEBSITE

5. WATCH THE "TIME MANAGEMENT" VIDEO

Deep Roots will become a burden and not a blessing if you simply try to cram it into your already busy schedule. You'll need to make space for Deep Roots in your life. No one drifts into excellence. We need to prioritize what's most important. Watch the helpful video on "Time Management" in this week's content and determine what you're going to cut out of your life to ensure Deep Roots becomes a blessing and not a burden.

What to Expect

Men, we're excited you're joining us on this 8-week adventure! If you take this seriously, we know that God will use these next 8 weeks as a powerful catalyst for growth and transformation in your life and relationships. Here's what to expect:

WEEKLY MISSIONS

You'll receive a new mission to complete each week. You'll receive these missions on Friday afternoons and will have until midnight the following Friday to complete them. There are five sections to each weekly mission.

1. TEAM MEETING

The TEAM meeting is the heart of Deep Roots (DR). Your relationship with and accountability to the men on your TEAM is essential to experiencing meaningful growth and transformation. Your TEAM must meet for at least one hour each week. This can be done in person or via Zoom. In person is always preferable, but not always possible. Your meeting will consist of discussing the content of the weekly missions.

- Check in. How has your week been?
- Share the memory verse.
- Discuss the Daily Book Questions in the Reading and Reflection section of the mission.
- Pray for each other.

2. GROWTH AND CHALLENGE

This portion of the weekly mission will provide challenges related to the current session of DR. These challenges are designed to help you grow in ways relevant to the topic of the session. Take these seriously. God will use them to impact your life in greater ways than you realize.

3. SPIRITUAL CHALLENGE

This section of the mission consists of weekly readings from the book, weekly memorization verses, and daily Bible reading and reflection. All Bible passages and memory verses are in the New Living Translation (NLT) because it is easier to understand for men who aren't familiar with the Bible or are new Christians. You may use whichever translation you prefer for reading and memorization.

4. PHYSICAL CHALLENGE

This section includes weekly aerobic and strength training challenges and an additional health-related challenge. The frequency and duration of the weekly exercise will increase (at a reasonable level) over the course of the 8 weeks. You have the freedom to choose what activities you will do for your aerobic and strength training challenges. Some examples of aerobic exercise include walking, running, biking, swimming, mowing the grass, etc. Some examples of strength training include push-ups, sit-ups, planks, weightlifting, building a rock wall, etc. You can choose the activities that fit your life and your abilities right now. The whole world is your gym. Take advantage of it!

5. RELATIONAL CHALLENGE

This section includes a weekly challenge designed to help you grow relationally and a 10-minute weekly Zoom call on Friday mornings for all the DR men. The Zoom call is at 7 AM EST and will provide encouragement and updates. We want you to join the call if possible, but it will be recorded and posted for those who have legitimate work or family commitments at that time.

What to Expect

SCOREBOARD

DR incorporates a healthy level of competition to encourage you to complete the missions, establish a system for accountability, and have a little fun. Each of the challenges in the weekly missions are assigned a point value, and you'll earn points for each of the challenges you complete. Each team will report their score weekly. The top three teams at the end of DR will receive recognition and awards.

SIDENOTE: It's about the points, but it's not about the points. The points are valuable because they represent the completion of a challenge that will help you become better. The ultimate goal, however, is not to have the most points. The goal is to establish rhythms in your life that will help you become more like Jesus. Take the points seriously, but don't freak out about it. The points are a vehicle to "spur one another on to good works." They are not the end goal.

FINISH LINE CELEBRATION EVENT

The Finish Line Celebration is a time to gather and celebrate all that was accomplished in this session of DR. There will be food, awards, and encouraging stories. Check the website for more information about the date, time, and location.
